Bin Dumper

Features & Specifications

We are the oldest existing manufacturer of Side by Side Harvesters in the United States. We have used a lifetime of farming and harvesting knowledge to develop the fastest and most reliable harvesters on the market.

Our machines are very versatile and can harvest many types of trees even in the toughest conditions.

The Weldcraft Bin Dumper will cut your cost by offering fast dumping and zero down time. It fits virtually any forklift and dumps all common size bins.
